VALLEYSIDE MANAGEMENT COMPANY LIMITED

REPORT OF THE DIRECTORS

PERIOD ENDED 31ST DECEMBER 2011

The Directors submit their report together with the financial statements for the period ended 31st December 2011.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

Principal activities

The principal activities of the company are to manage, maintain and administer the land and buildings at Valleyside, Swindon with a commitment to purchase the freehold. The company operates under the terms of a 99 year lease agreement entered into on 29 September 1978 between the company, the freeholder and its shareholders as leaseholders.

Business review

At a General Meeting held on 19 October 2010 members of the company (the leaseholders) resolved to terminate the appointment of Residential Management Group Limited (known as CPM Asset Management Group until 29/12/2009) as managing agent. John & Julie Morris were subsequently appointed as managing agents. As of the date of signing these financial statements, full substantiating financial records have not been provided to the director by Residential Management Group Limited. Therefore these Financial Statements have been compiled based on the incomplete brought forward records provided. During the year a gardener was appointed to maintain the communal grounds and a tree surgeon removed dead trees and made the remaining trees safe.

The Service Charge for 2011 was £770 per leaseholder with a discount of £60 if paid in advance. The company changed its year-end to from 31 March to 31 December in the previous period in order to bring it into line with the provisions of the leases. The comparative accounts for the previous period are therefore for 9 months.

At the Annual General Meeting on 11 October 2011 the Service Charge for 2012 and 2013 were set at £820 and £856 respectively, both with a £60 discount available if paid in advance.

AUDIT

The company has taken advantage of The Companies Act 2006 (Audit Exemptions) Section 477(2).

DIVIDENDS

No dividends were paid or proposed during the period (2010 Nil)

RESERVES

During the year £4,000 (2010 - £1,650) was allocated to the designated reserve fund for future major costs, £2,000 was paid out of (2010 - £450 paid in to) the designated reserve fund for tree maintenance costs and £161 (2010 - £501) was allocated to meet general future maintenance costs.

VALLEYSIDE MANAGEMENT COMPANY LIMITED

REPORT OF THE DIRECTORS

PERIOD ENDED 31ST DECEMBER 2011

COMMONHOLD AND LEASEHOLD REFORM ACT 2002

Sections 152 and 156 of the Commonhold and Leasehold Reform Act expected to have been commenced during 2009 have not been enacted. Items that these sections had been expected to require include:

- a) That service charge transactions cease to be shown within the accounts of the Company, as funds held by the Company are held in trust on behalf of tenants (leaseholders). Given that these proposals have yet to be enacted and no guidance has yet been issued on the new format to be adopted the directors have prepared these accounts with transactions shown as flowing through the company in accordance with the lease in order to maintain consistency with prior years and to facilitate access to details of expenditure as these accounts will be placed on the public record at Companies House.
- b) An Income and Expenditure Report and Balancing Statement be produced within six months of a year end in a format similar to that shown on page 8 of the notes to these accounts.

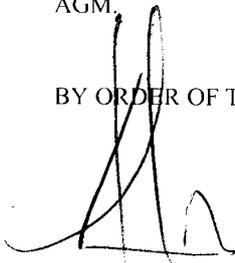

DIRECTORS

The following director served during the period:

Bryan Welsh

At the AGM on 11 October 2011 no other members were proposed as directors. It was therefore agreed that a resolution be proposed at the next AGM to amend the Memorandum and Articles of the company such that the minimum number of directors be reduced to one. Directors are due to retire by 3 year rotation under the Articles of Association at Annual General Meetings. A resolution proposing re-election of Mr Walsh will be presented at the AGM.
